3.	Sreeharsha KL	I would like to bring your kind attention that I was applied for post consultant, Disaster Management, notification dated on 18/09/2014. I was competed with 14 other candidates, out of them most were PhD holder, most of them were current employer of state Government, few of them were professor with more than 15 years experience in their relevant field. Committee framed from the ATI has interviewed and selected 2 candidates on deputation who are from other department (on prioritization), I hope that's the reason I was not consider as consultant, Disaster Management, even I fulfilled the required qualification & professional experience (Please excuse if I ' m wrong)	As per our EoI notication EST(1)CR.179/2014-15 dated :31/01/2014 applicants who had attended the interview and not selected earlier will not be considered. Hence rejected.
