AIM

Broadly the aim of the training course is to sensitize, provide skills and to give an orientation to officials from different departments of the Government of Karnataka. The officers will be able to develop appropriate managerial skills related to Public Partnership Projects.

OBJECTIVES OF THE TRAINING PROGRAMME

- Trainees will be able to identify Public Private Partnership Projects.
- The trainees will be able to acquire additional and necessary knowledge and skills related to the management of Public Private Partnerships.
- Trainees will be able to explain the enabling policy and regulatory frameworks related to Public Private Partnerships.
- Trainees will be able to explain the financial needs of different projects under Public Private Partnerships as also of various steps being taken, like setting up of India Infrastructure Finance Company, and launching of a Scheme to meet Viability Gap Fund (VGF) of Public Private Partnership Projects.

METHODOLOGY:

- The training course shall be in workshop mode. It will be based on
- Lectures
- Power Point Presentations
- Case Studies
- Group Work
- Interactive and Participatory methods
- Field Visits.

TARGET GROUP

- Senior Level Officers (Group “A”) from different departments of the Government of Karnataka, Public Sector Undertaking, and Professionals from Organisations like Boards and Corporations.
